Subject: Confirmation of IPC Training Centers in Poland

To Whom it May Concern:

This letter is to confirm that IPC has licensed Renex Electronics Education Center to conduct the IPC industry approved training and certification programs. RENEX is authorized to conduct training in the following programs: J-STD-001 (since December 2006) IPC-A-600 (since March 2008) IPC-A-610 (since April 2005) IPC/WHMA-A-620 (since December 2006) IPC-7711/7721 (since January 2006)

RENEX is the only authorized IPC training center based in Poland.

IPC's point of contact for this training center is: Mr. Marcin Sudomir , MIT Master IPC Trainer  
Renex Electronics Education Center Al. Kazimierza Wielkiego 6E Wloclawek 87-800 Poland

Respectfully,

A handwritten signature in black ink, appearing to read 'David W. Bergman', with a long horizontal line extending to the right.
