The BPCC – The Power to Network

- Raising and enhancing the profile of our members' interests
- Networking international partnerships and fostering trade
- Promoting leadership in sustainable business

Welcome to the Network

The BPCC operates several regional networks across Poland and the UK. We actively work with the UK Trade & Investment, British Embassy in Warsaw and Polish Embassy in London as well as many British and Polish business organisations such as PAIILZ, COBCOE, IGCC and regional chambers network in the UK and Poland. Other high-profile partners include Confederation of British Industry, Institute of Directors and Federation of Small Businesses.
