TESTIMONIAL LETTER

By this letter Wagdy Moamen Group give

AT Consulting Anna Tobera company

references as a professional partner in consulting in the range of organising production and creating structures to manage production.

In the years of 2010-2011 AT Consulting implemented a project creating the High Quality shirt production team at Wagdy Moamen as well as preparing the supervision managing the team.

What is more. AT Consulting prepared the technology for the production of the styles for the created team.

AT Consulting's activity can be characterised with: great dynamics, professionalism, responsibility and involvement in each project they participated.

The production team created by AT Consulting is now able to produce high quality men's shirts and women's blouses for each customer of Wagdy Moamen.

In view of the positive experiences we recommend AT Consulting Anna Tobera as a reliable partner.
