Confirmation of Official Partner Status

To whom it may concern:

We, EPLAN Software & Service, hereby confirm that the above mentioned company is our official Partner, and thus represents our interests in the following areas of **Poland**.

The products that are covered by the scope of our official partnership agreement are listed on the page attached.

As both manufacturer and owner of the rights of the products listed, EPLAN Software & Service authorises **AB-MICRO Sp. z o.o.** to carry out the following on its behalf:

1. To sell EPLAN Software
2. To carry out EPLAN trainings
3. To provide EPLAN technical support for customers
4. To use EPLAN corporate design templates

Furthermore, with the purchase of software from EPLAN S&S, the end-customer is required to sign a licensing agreement which regulates the terms of use. As our official representative in this region, **AB-MICRO Sp. z o.o.** is authorised to complete this document. Currently, **AB-MICRO Sp. z o.o.** is the only official distributor of EPLAN products and services in Poland.

Should you require further information, please do not hesitate to contact us.

Yours faithfully,

EPLAN Software & Service GmbH
