Dear,

I am delighted to provide a testimonial for H2B based on our extensive collaboration in software development, product discovery, and UX design for the FantasyApp project, commissioned by the Danish Handball Association. It is my pleasure to share our highly positive experience:

Next Edge Sports GmbH had the privilege of partnering with H2B, and we have been thoroughly impressed with their professionalism, dedication, and outstanding services.

H2B played a vital role in the software development process, showcasing their exceptional expertise and commitment to delivering high-quality solutions. Their team exhibited a deep understanding of our business goals and effectively translated them into innovative technological solutions. As a result, the FantasyApp project has been a resounding success, exceeding our expectations and meeting the needs of the Danish Handball Association.

Throughout our collaboration, H2B demonstrated a remarkable ability to facilitate the product discovery phase. Their meticulous approach, combined with their ability to adapt to evolving requirements, allowed us to identify the most effective strategies for achieving our objectives. Their contribution was instrumental in creating an intuitive and engaging user experience, resulting in high user satisfaction and increased adoption of the FantasyApp.

Software development
just in time.

H2B's dedication to UX design has been invaluable. Their team exhibited a keen eye for detail and a deep understanding of user behavior, resulting in a visually appealing and user-friendly interface. Their expertise in UX design significantly enhanced the overall experience of the FantasyApp, ensuring seamless navigation and engaging interactions for our users.

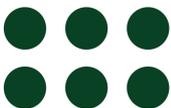

We wholeheartedly recommend H2B as a reliable and trusted partner for software development, product discovery, and UX design. Their commitment to excellence, technical proficiency, and exceptional service make them a standout choice for any organization. We are extremely grateful for their contributions to the FantasyApp project and look forward to continuing our successful partnership in the future.

Sincerely,

Signature (hard copy letter)
