

# CHARTEK QUALIFIED APPLICATOR

## Synergis

is a Qualified Applicator for Trowel Application of Chartek Passive Fire Protection (PFP) coatings, having met the requirements of certification, which include:

1. Personnel trained at a Chartek Training School (Trowel Application)
2. Possession of equipment suitable for application of Chartek products (Trowel Application)
3. Successful completion of qualifying Chartek Applicator Contract
4. Maintains a Chartek Quality Assurance Procedure
5. Holds a validated Chartek Qualified Applicator Agreement

Furthermore, being a Qualified Applicator, Synergis assumes full responsibility for applying Chartek Passive Fire Protection materials in accordance with the relevant Chartek Application Manual and/or other AkzoNobel approved procedures and will guarantee the workmanship for one year after application.
