

AUTODESK AUTHORIZED ACADEMIC PARTNER

AAP SITE AUTHORIZATION

Autodesk recognizes this organization as an Autodesk Learning Partner and Authorized Academic Partner (AAP). This location is an Authorized AAP site. Authorized Academic Partners meet Autodesk's defined standard of excellence for delivering high-quality, instructor-led learning experiences, certification, and other services to support qualified students, schools, and academic institutions with the latest advancements in Autodesk software product knowledge. Autodesk's Learning Partner network is the premiere channel for delivering Autodesk product training to the Education community.
