## LETTER OF RECOMMENDATION

I'd like to recommend H2B Group as a solid and trustworthy partner in a field of IT specialists outsourcing. We've been collaborating with that company for several years. Their support enabled SPEEDNET to successfully acquire fully skilled developers whenever it was needed and time was a key factor.

Our largest project done together was a complex fintech platform for a German market. H2B Group was able to deliver 10 engineers (regular and senior specialists) within 2 weeks what allowed us to take off quickly with respect to highest standards and successfully deliver a product after 6 months.

Flexibility, effective communication and seamless collaboration makes H2B Group your partner not only a vendor. I strongly recommend their services.

If you have any questions, please feel free to contact me.

Sincerely,

Piotr Grodzki

CEO
